EDUCATION

COLLEGE EDUCATION - Sri Eshwar College Of Engineering	B.Tech(IT)		7.65(3rd SEM)	2025-2028
DIPLOMA - Nachimuthu Polytechnic College	DCCN		88.6%	2022-2025
SCHOOLING - Rajalakshmi Genguswamy Matriculation School	SSLC		72.8%	2021-2022

INTERNSHIP

iGenuine Technologies Designed and developed full-stack web applications using the MERN stack. Handled frontend development with responsive and dynamic user interfaces. Implemented backend services and database integration for efficient data management SKILLS ACQUIRED : Frontend: HTML, CSS, JavaScript, ReactJS Backend: Node.js, Express.js, REST APIs ,Mongo DB Cloud: AWS	LINK	2025
ADDIS IT SOLUTIONS Learned the fundamentals of Internet of Things (IoT) and its real-time applications. Gained knowledge of IoT architecture, sensors, microcontrollers, and device connectivity. Observed IoT project implementations and understood how devices collect and transmit data. SKILLS ACQUIRED : IoT Fundamentals Sensors Basics Microcontroller Basics, Device Connectivity	LINK	2024

PROJECTS

AI-Based Ransomware Detection System (Desktop Application) (Ongoing): Tech Stack: C#, Artificial Intelligence Developing an AI-based ransomware detection desktop application to monitor system activities and identify suspicious file behavior. Implemented using C# with real-time monitoring to improve threat detection and strengthen system security.	Github	2026
Blockchain-Based Secure Data Sharing Platform: Tech Stack: Blockchain, End-to-End Encryption Proposed a blockchain-based PC-to-PC file sharing platform for secure and reliable data transmission. Implemented end-to-end encryption and blockchain logging to ensure file integrity and authorized access.	Github	2026
Data Security with Third-Party Admin in Cloud Storage: Tech Stack: Java, Blowfish Encryption, Cloud Storage Designed a secure cloud storage system to protect sensitive data from unauthorized access and tampering. Implemented Blowfish encryption, file splitting, and a Trusted Third Party (TTP) model to ensure data confidentiality and controlled access.	Github	2025

CERTIFICATIONS

Successfully Completed Introduction to HTML	SoloLearn	2026
Successfully Completed Introduction to SQL	SoloLearn	2025
Successfully Completed Top DBMS Interview Questions	CodeChef Pro	2025
Successfully Completed Prompt Engineering	SoloLearn	2025

CODING PROFILES

LeetCode: Solved 80+ Problems | Rank: 1,744,685 | [View](#)
Skillrack: Solved 150+ Problems in Programming | [View](#)
CodeChef: Solved 300+ Problems | [View](#)
HackerRank: Python (1★) | [View](#)

ACHIEVEMENTS

Participated in Prince iSolve Hack'26 at Prince Shri Venkateshwara Padmavathy College of Engineering, Chennai	2026
---	------

TECHNICAL SKILLS

Language:	C C++ Java Python Javascript(Basics)
Technologies/Frameworks:	Spring Boot Django Flask
Database:	SQL MongoDB
Tools:	Git GitHub VS code Canva Visual Studio Cisco Packet Tracer Wireshark
Networking:	TCP/IP Subnetting VLAN NAT Routing & Switching OSI Model Network Troubleshooting
